

Without further delay! We are proud to roll out the... **PCE Discount Fence Replacement/Repair Initiative**. We asked for your help and you have delivered. We wanted residents who have had a positive experience with a local fence contractor to send us their information and we would contact them and look at some of their work and try to narrow down the list. After numerous calls and communications and site visits, with local contractors, we have been able to whittle the list down to the following recommended contractors. All contractors noted offer **FREE ESTIMATES, are bonded and insured and are registered with the City of Frisco.**

Frisco owned and operated since 1996. Member of the local BBB and has been voted on, by consumers, as one of the Top Fence Contractors in DFW on **Angie's list**. Abe Esquenazi and his team have recently expanded their services to now offer Arbors and Automatic Gates as well as the standard and extraordinary wood fences. Top Quality Fence is very versed in 6', 7' as well as 8' cedar and spruce and use only the highest quality materials. As part of our program Abe has agreed to offer preferential pricing to all PCE owners through February 2012 (minimum of 50 lf). Just refer to our newsletter to receive this special offer.

CISCO FENCING

Locally owned and operated since 2002. Owner Angel Lopez and his crew have earned ★★★★★ from the contractor review website www.servicemagic.com. Some of the comments include "Excellent customer service" and "Cisco Fencing did an incredible job for me". In driving around the neighborhood and looking at some of his other work the craftsmanship he puts into his jobs is evident. Angel is very well suited in high end cedar construction as well as spruce and he can even provide you with the back yard of your dreams. Custom Stone work, electric gates and arbors are just a few of the additional services they offer. Cisco Fencing has been generous enough to offer a 20% discount to all PCE owners whose jobs are completed before January 31, 2012 (mimimum of 100 lf). Just refer to our newsletter to receive this special offer.
