

The Panther Creek Estates Public Improvement District (PID) was established by the City of Frisco in response to a proposal by developer Intermandeco to expedite the building of two city parks, Bob White and Mourning Dove and enhance the entrances and green spaces in our neighborhood. The initial funds for this project were financed through the city bond process. Each home was assessed \$2500 to be paid at closing or over 20 years billed in installments annually directly by the city of Frisco.

The Maintenance and Operation of these PID areas (with the exception of the city parks) was then turned over to the Panther Creek Estates Homeowners Association through a 20-year lease with the City of Frisco and fees were set in combination with the HOA assessments to be collected semi-annually. Originally these funds were billed separately (PID); however after meeting with the city, the board of directors was able to consolidate this process thereby saving the HOA in printing, postage and accounting.

The HOA board is in ongoing negotiations with the City of Frisco to assess the viability of the PID. For specific details on the formation and operation of the Panther Creek Estates Public Improvement District see the documents that follow. If you have additional questions please contact the board directly.

**NOTIFICATION OF**  
**PANTHER CREEK ESTATES**  
**PUBLIC IMPROVEMENT DISTRICT**

The intent of this notice is to inform prospective property owners that each lot in the Panther Creek Estates community is part of a Public Improvement District ("PID").

The PID was created under the direction of the City of Frisco for the purposes of enhancing the Panther Creek Estates amenities and expediting the timing of their installation. Enhanced landscape, additional open space, improved city parks, shade structures, distinctive entries and various recreational and pedestrian improvements will all be part of the PID Improvements for Panther Creek Estates.

The City of Frisco has sold "Certificates of Obligation" (bonds) to make funds available for these improvements. Each residential lot within the community will be assessed an equal portion to enable the City of Frisco to repay this obligation. While there should be a distinct advantage to paying this assessment in full at closing in order to avoid finance charges, your New Home Sales Counselor should be able to provide more specific information on a term payment option as more details become available. \$2,500.00 assessment estimate

In addition to each property's assessment for the cost of the improvements, PID Maintenance and Operation charges ("M&O") may be assessed as determined by the PID Advisory Board. While the City of Frisco has the right to levy charges to maintain and operate the PID Improvements, for the sake of efficiency the Homeowners' Association ("Association") has agreed to collect a charge to maintain the PID Improvements along with the regular Association improvements. You should find that the combined costs for maintenance of all of the Panther Creek Estates amenities will remain comparable to the costs seen in other similar communities.

**FOR PANTHER CREEK ESTATES**  
**PUBLIC IMPROVEMENT DISTRICT**

STATE OF TEXAS           §  
  §  
COUNTY OF COLLIN       §

Notwithstanding anything contained herein to the contrary, during the term of this Lease, Landlord does not intend to levy PID Maintenance Charges, and this Lease and Tenant's obligation to maintain hereunder shall terminate if Landlord levies PID Maintenance Charges. Landlord and Tenant acknowledge and agree that the HOA's performance of the maintenance obligations of the PID Improvements will benefit Landlord and Tenant because all parties hereto agree that the HOA's contracting for maintenance, oversight, and quality control are desired by Landlord and Tenant to maintain the PID Improvements at a high standard for the benefit of the citizens of Frisco and in particular the owners of Lots in Panther Creek Estates. 4. Term. The term of this Lease will be twenty (20) years from the date of full execution hereof. During the term of this Lease, Tenant will be entitled to peaceable and quiet enjoyment (though not exclusive) of the PID Improvements.

5. Landlord's Obligations. Tenant acknowledges and agrees that Landlord will have no obligation to Tenant with respect to maintenance and operation of the PID Improvements. Tenant will be solely responsible for all maintenance and operation of said PID Improvements.

6. Termination. Either party may terminate this Lease without cause on thirty (30) days written notice. In the event of termination by either party hereto, Tenant's leasehold interest in the premises will be terminated.

7. Public Use. Tenant and Landlord acknowledge and agree that the PID Improvements will be available for use by the general public. Notwithstanding, neither Landlord or Tenant will be liable for claims, debts, demands, actions, causes of action or damages of any kind to any person with respect to the PID Improvements or the maintenance or leasing thereof, and both will be entitled to exercise and rely upon the sovereign immunity of Frisco to the greatest extent available at law or in equity, unless otherwise specifically stated in this Lease to the contrary.

8. Tenant Insurance. Tenant agrees to maintain commercial general liability insurance and property insurance against all risks in an amount deemed reasonably acceptable by the HOA and will name Frisco as an additional insured under such coverage attributable to the PID Improvements.

9. Fire or Other Casualty. In the event of casualty which damages all or any portion of the PID Improvements, neither Landlord or Tenant will have responsibility for replacing said improvements. Notwithstanding, in the event Landlord and/or Tenant receive insurance proceeds specifically in connection with damages to the PID Improvements, Landlord and Tenant agree to utilize all such insurance proceeds for the sole purpose of repair or replacement of the damaged PID Improvements.

10. Inspection Rights Reserved to Landlord. Landlord may inspect the premises to evaluate the quality of the maintenance and the effectiveness of the operation.

11. Taxes. Landlord acknowledges that all PID Improvements will be exempt from ad valorem taxes.

All rights, powers, privileges, immunities and duties of Landlord or Tenant under this Lease, including, but not limited to, any notices required or permitted to be delivered by Landlord to Tenant hereunder, may, at Landlord's option, be exercised or performed by Landlord's agent or attorney.

13. Severability. If any provision in this Lease should be held to be invalid or unenforceable, the validity and enforceability of the remaining provisions of this Lease shall not be affected thereby.
